

Presentation of the MyRePlast Industries' plant and of the NextChem's business strategy

Milan, 12 June 2019 - **Maire Tecnimont S.p.A.** announces that today in Bedizzole (BS) the presentation of the MyReplast Industries' plastic recycling plant and of the NextChem's business strategy will take place. Analysts, investors, media, institutional and business and financial community representatives will attend.

The presentation illustrated by the top management will be available from the beginning of the event on the Maire Tecnimont website in the "Investors / Results and Presentations / Presentations" section (<https://www.mairetecnimont.com/it/investitori/risultati-epresentazioni/presentazioni>).

The presentation will also be made available on the authorized storage system "1info" (www.1info.it).

Maire Tecnimont S.p.A.

Maire Tecnimont S.p.A. is a company listed with the Milan stock exchange. It heads an industrial group (the Maire Tecnimont Group) that leads the natural resources processing sector (plant engineering in the oil&gas downstream industry, with specific technological and execution capabilities). Through its subsidiary NextChem the Group operates in the field of Green Chemistry and technologies supporting the energy transition. The Maire Tecnimont Group operates in approximately 45 different countries, numbering around 50 operative companies and a workforce of more than 6,300 employees, along with approximately 3,000 additional Electrical & Instrumentation professionals.
