

## **AWARDS FOR AN OVERALL VALUE OF APPROXIMATELY USD 360 MILLION IN THE TECHNOLOGY-DRIVEN CORE BUSINESS**

*Milan, 12 March 2019* – **Maire Tecnimont S.p.A.** announces that its main subsidiaries have been granted several awards for a total amount of approximately **USD 360 million** for licensing, engineering services and EP (Engineering–Procurement) activities.

These contracts, awarded by some of the most prestigious international clients, have been granted mainly in Europe, North Africa, Middle East and Asia.

In particular, Mumbai-based Group’s subsidiary Tecnimont Private Limited has been awarded two contracts related to engineering services for Electrical & Instrumentation works for a refinery project in the United Arab Emirates, while KT- Kinetics Technology has been awarded an Engineering & Procurement contract to implement several refinery process units in Egypt.

Moreover, with regard to the Volgafert Urea EPC Project – previously announced on 17 December 2018 – Maire Tecnimont announces that the project has now been included in the order intake and backlog as a result of its successful financial closing.

Such result confirms the growth strategy in the technology and service area in the hydrocarbons downstream value chain, providing further evidence of the resilience of the Group’s technology-driven business model.

### **Maire Tecnimont SpA**

Maire Tecnimont S.p.A. is a company listed with the Milan stock exchange. It heads an industrial group (the Maire Tecnimont Group) that leads the natural resources processing sector (plant engineering in the oil&gas downstream industry, with specific technological and execution capabilities). Through its subsidiary NextChem the Group operates in the field of Green Chemistry and technologies supporting the energy transition. The Maire Tecnimont Group operates in approximately 45 different countries, numbering around 50 operative companies and a workforce of more than 5,800 employees, along with approximately 3,000 additional Electrical & Instrumentation professionals.
